## MISSION STATEMENT:

To develop, within a caring environment, the cognitive, social, physical and creative abilities of all children to enable them to realise their full potential and to maximise future opportunities as members of the community.

## VIRTUE FOR WEEKS 1/2 - EXCELLENCE

Dear Readers

Welcome to the 2018 school year at Weld Square Primary School. As many of you will now be aware, Mr Cookson has taken leave for First Term. On behalf of the school community I wish him a speedy return to good health. It is my great privilege to return to Weld Square PS during Mr Cookson's absence and I am excited by the opportunity to work with students, staff, families and the broader school community again.

2018 promises to be a busy and rewarding year as we continue our school improvement journey. Staff have already been diligently planning and undertaking professional learning to ensure our targets are met and that we continually strive for excellence in outcomes for students.

While we will open with the class organisation set out on the adjacent table, our numbers are very tight and it may be necessary to restructure. It is not our preference to do this however we must be able to accommodate all local children and comply with legislation. If a change is to be made everyone will be notified by the end of week three. Please rest assured that any changes would be well-considered and made with the least possible disruption.

It is vital that we can confirm our numbers as quickly as possible. Please remind neighbours and friends who may left the area, or who have moved in and are yet to enrol, to do so with urgency.

Everyone at Weld Square Primary School is focused on providing a high quality education for your children. We aim to encourage and support them to challenge themselves and achieve their personal best. We look forward to working in partnership with our students and their families to accomplish this.

Here are some questions you may like to use instead of asking your child "How was school today?" They may help you get more information!

- What was the best (or worst) thing that happened at school today?

- Tell me about one thing you learned today.
- How were you kind today?
- How did you help someone today?
- How did someone help you today?
- Who in your class do you think you could be nicer to?
- Where is your favourite place at school?
- What is your favourite part of lunch?
- If I called your teacher tonight, what would she/he tell me about you?
- What do you think you should do more of/ less of at school?

Please feel welcome see me if you have any queries or concerns. I look forward to seeing familiar faces and also new ones this term!

Kind regards,

Nicole Kovalevs
