## School Development Day

At the School Development Day, Friday 3 June teaching staff engaged in professional learning on positive teaching and learning practices to develop whole-school proactive prevention strategies. Staff were guided through the science and systems supporting a function-based approach to positive behaviour change. This model is designed to improve how we support students engaging in challenging behaviour and we look forward to continuing the professional learning series to implement it further.

## Winter Sports

Winter interschool sports for selected senior students was to continue today, but unfortunately due to staff shortages at Morley Primary School, it had to be cancelled. Our teams played their first game last week and by all accounts had a really good time. Netball A won their game whilst Netball B and Football were losses. We are proud of our students' efforts and grateful that we have the opportunity to play. Next week we have two away games against North Morley and Embleton Primary. Best wishes to all the teams next week!

## **Children Arriving Late to School**

We have noticed that a lot of children are arriving late to school. Classroom doors are open from 8.30am and the bell to start lessons is at 8.45am. To maximise all students learning opportunities they should arrive 15 minutes before the school bell. The benefits of arriving at school on time include being organised for the start of the day, being ready and receptive for learning experiences, having the opportunity to interact with peers and teachers and ensuring full access to the curriculum.

## School Uniform

A reminder that, as the colder weather begins, students should still be wearing their school uniform. Students should be wearing navy blue jumpers and track pants or leggings to school. No other colours are permitted. School jumpers are available at the uniform shop which is open Wednesday mornings.

## Swimming Lessons

Swimming lessons commence from Pre-primary to Year 6 on Monday 20 June. Permission slips and money are due by Friday 17 June. Please come to the office to speak to us if you have any questions about the program. It is expected that all children participate as part of the physical education curriculum. Spare notes are available at the office.

Payment by direct deposit to the school is the preferred payment option.

## Reports Available via Connect

This year student reports will be sent to parents electronically via Connect. Parents will need to login to Connect to access their child's report. A help-sheet is attached to this newsletter. Should you wish to have a hard copy provided we will be able to accommodate this request, please advise the front office.

Reports will be available on Connect on Monday 28 June and aim to provide a summary of your child's achievement, attitude, behaviour, effort and progress in personal and social learning. They provide information about how your child has achieved against the Western Australian Curriculum

and areas for improvement. Please contact the class teacher if you require any further information about your child's progress.

I wish everyone a lovely (and hopefully not too wet) weekend.

Asher Dragun

Principal

## P&C News

Hello Everyone,

We have our lunch order coming up on Wednesday 22 June. Please look out for the order forms (sometimes in the bottom of the school bag!) and return no later than Friday 17 June. Fried Rice is our special item on the menu. If you have any suggestions or are happy to come and cook a dish in our canteen on lunch order days, we would love to hear from you. Please email your interest to [weldsquareprimary@gmail.com](mailto:weldsquareprimary@gmail.com)<sup>3</sup>

P&C Day across the state was Friday 20 May and we would like to acknowledge everyone who supports us in all the fundraising that is done for the students at the school. Without your efforts and funds the P&C wouldn't be able to contribute to your child's education. Thankyou to those who have made their voluntary P&C contributions, participated in free dress days, lunch orders and raffles. Every little bit counts and is greatly appreciated.

The Weld Square P&C are always looking for new members, or volunteers to help with events. If you have been thinking about helping – even in a small way, please chat to one of the team or email.

Rena Taylor

Vice President
